Located on the California Central Coast, engulfed in natural, rural scenery, tied in with strongly promoted animal life, Wag-N-Paws strives to uphold the expectancies of a healthy lifestyle.

1738 Carmelot Avenue
Santa Ynez, CA 93460

Compared to the majority of the other businesses, organizations and companies that are located in the Santa Ynez Valley, Wag-N-Paws is a relatively smaller business with increasing popularity. Selling healthy, fresh, organic products for dogs to eat such as treats, snacks and a variety of food options is our top priority. One of the main goals with our products will be to focus on improving the dental hygiene of dogs across the valley.
